

2. BIGGER THAN BIG

Material:

20 balloons

6 metres of string

Get Ready To Play:

This game requires a minimum of 2 players but any maximum number can play.

Right now, 2 players are playing this game.

Give each player 10 balloons and 3 metres of string.

Let's Play:

Both these players have to make a garland of 10 balloons.

But the sequence of balloons in this garland has to be first the smaller balloons, then the big ones. So the first balloon in the garland will be the

smallest, the one next to it bigger, and so on till the last balloon, which should be the biggest.

The biggest challenge of this game is to keep this sequence in mind while speedily inflating the balloons and preparing the garland as required.

RULES:

- If the sequence of the balloons in the garland goes wrong that player will be out.
- If the garland has less than 10 balloons that player will be out.

WHO WILL WIN?

The player who will be the first to prepare the correct garland of 10 balloons will be the winner.
